D. Hazardous Air Pollutant Emissions

Do you need an operating permit?

1. Does the facility have the potential to emit (PTE) 10 tons of any single listed Hazardous Air Pollutant (HAP)?

   ☐ yes ☑ no

Are you subject to TURA ?

2. Does the facility have the potential to emit (PTE) a total of 25 tons of any combination of listed Hazardous Air Pollutants (HAPs)?

   ☐ yes ☑ no

3. Does the facility have a restriction on total HAPS?

   ☐ yes ☑ no

4. Are you required to report HAP emissions here for any other reason? (e.g., a permit condition)

   ☐ yes ☑ no

5. If you answered "yes" to any of the questions 1- 4 above you need to report your single largest HAP emissions and your total HAP emissions for the year. You also need to report emissions for any HAP for which you have an emissions restriction. eDEP will generate additional pages needed to enter that data. If you wish to submit additional HAP data, you may add them to the HAP pages that follow or in the attachments and notes sections below.

E. Notes and Attachments

1. **Notes:** Please include in the space below any additional information that will help DEP understand your submission.

2. **Attachments:**

☐ Check here to submit attachments to this form (e.g., calculations). For eDEP on-line filers, this will create a new step on your Current Submittals Page where you will attach electronic files to your submittal. For attachments that **cannot** be sent electronically, please list all such attachments in the notes field above and deliver them to DEP with a paper copy of this form.
